

CERTIFICATE OF PARTICIPATION

This certificate is to attest that Mr. Enzo Porto attended the International Workshop *sys2025: Systematic and Measurement Errors across the Sciences - AstroStatistics and Data Science*, which was held in Huntsville, AL (USA) on Nov. 14-17, 2025.

Mr. Porto delivered a contributed talk on “*Joint extremes of solar irradiance and air density: an EVT and copula approach to tail uncertainty*”.

For the Science Organizing Committee,

Signed by:

Massimiliano Bonamente
